(June 18, 2012)

The United States Postal Service moves for late acceptance of its responses to the Public Representative interrogatories identified above, filed June 8, 2012. The responses are one business day late. The delay was caused by the press of related work in this docket, in other dockets, and the need for cross-functional coordination to complete these responses. The Postal Service regrets the delay, but believes that any prejudice is minimal.

Respectfully submitted,
